## ABS renews contract at 38th St tower

First Quality Maintenance, a division of Alliance Building Services, has renewed its contract to provide exclusive cleaning services at 333 E. 38th St. Alliance's security and messenger divisions, Classic Security and Bright Star Couriers, already provide services at the property.

The 12-story, 443,000 s/f building is located near the United Nations headquarters and some of New York's most notable hospitals, such as

Bellevue and NYU Medical Center. The property boasts a tenant roster that includes the U.S. Committee for UNICEF and New York University; retail tenants include Novello.

Said Gary Green, CEO of Alliance Building Services, "It is always rewarding when a company chooses to renew a contract, because it speaks highly of services our dedicated employees have performed over the years." ■
