## WHO'S NEWS

---

...

**Onyx Painting Services**, a division of Alliance Building Services, announced **Kevin Paglino** as vice president of Onyx Restoration Works. Paglino will be responsible for managing the day-to-day operations such as sales, quality control and project profitability of the company's new Onyx Painting Services and Restoration Division. He

will also take on managing the office staff as well as new office hires. Prior to joining Alliance, Paglino was president of Encore Painting, a company that he owned and operated for seven years. Paglino's career in the painting business totals 12 years and includes roles in all aspects of the business, such as estimating, project management and sales.
