
Alliance awarded contract for metal refinishing project

Onyx Restoration Works, a newly created arm of Alliance Building Services, recently received an exclusive contract to provide metal refinishing services at 800 Third Avenue.

The 500,000 s/f office building is owned by Joseph P. Day Realty Corporation and is centrally located in midtown Manhattan on 50th and 3rd Avenue.

Conveniently close to popular restaurants, hotels and retail shopping as well

as easy access to city buses and subways, 800 Third Avenue, is home to over forty blue chip corporations such as Citibank and Advance Magazine Publishers, Inc. The metal restoration project will entail the following:

The Third Avenue building entrance, main building entrance, elevators and Citibank's revolving and swing doors will be stripped of all coatings, restored of its original finish and the appropriate coatings will be reapplied to refinish the metal. Once

the initial project is completed Onyx Restoration Works will maintain the preservation of the metal accordingly.

For over a year, First Quality Maintenance (FQM), another division of Alliance Building Services, has been providing janitorial services to the building.

FQM provides cleaning services to more than 100 buildings, encompassing more than 60 million square feet throughout the tri-state area. ■
